

नेपाली

नेपाली विषयमा कक्षा दुईका विद्यार्थीहरूलाई पहिलो त्रैमासिक परीक्षाको लागि निर्धारित पाठ्यक्रम अनुसार कथा विधाबाट “ सिंह र खरायो ” र संवाद विधाबाट “ दीपक र प्रहरी दाइ ” शीर्षकका पाठ अन्तरगतका क्रियाकलापहरू गराइएका छन् । उनीहरूलाई पढाइएका पाठहरूका कठिन शब्दहरू वाक्यमा प्रयोग गर्न र कुनै शीर्षकमा कुराकानी (संवाद) गर्ने कार्य गराइएको छ ।

English:

In English, the children are currently studying Unit two. The participation of the children is fairly well and they are keen on reading out the chapters on their own. Worksheets have also been done and it is a positive thing that the children are interested to complete their worksheet which focuses on their grammatical skills. The result of the Unit Test and the paper will be sent with the children so that the parents are informed about the child's progress.

Science:

In Science, it is very remarkable to observe children's involvement in classroom activities. They visited school surrounding where they discovered different living and non-living things. They worked on charts, worksheets and varieties of hands on activities. They are learning about wild and domestic animals. We are planning to take children to Zoo to explore animals. A brief description of the field trip will be sent home.

Mathematics:

In Math, children completed geometrical portion. They visited school premises where they discovered different geometrical shapes. They have already started second unit “Number concept “. In this unit they are learning about “Hindu-Arabic” numbers, Roman numbers and place value with the help of base ten blocks and seeds.

Social Studies:

In Social Studies, children have completed three lessons. The children seem interested in the subject as it deals with the environment and they seem to relate the lesson with their own locality. Worksheet has also been done and the children made drawings of their neighborhood. It is impressive to know that the children can express and relate the subject with the environment around them.

Computer

Children of grade two have learnt to handle their computer properly. They can log on, log off and shut down their computers themselves. Presently, they are learning Internet. In this unit, they have learnt to open Internet, search pictures using GOOGLE search engine. They also used Paint program to work on their prior knowledge

Visual Arts

Department of art and craft took on drawing, painting, paper work and model shaping with all the students. Students were instructed to develop group based concepts and elaborate them through the medium of art. They prepared paper mashie, paper sculptures and 3d effects drawings with the use of water colors, crayons, oil pastels, pencil colors and chocks.
