### Computer

It was the first time that grade 4 were getting their own User ID and Password. Hence the children faced little difficulty in logging onto their computer by using their individual user ID. After couple of days practice the children were more confident.

Gradually we started with observing different icons and menus in the desktop. Then they were taught to open Notepad (start menu>all programs>accessories>Notepad). Here, they were asked to type the sentence “A Quick brown fox jumps over a lazy white dog” as this sentence contains all alphabets from A-Z. They had queries like ->How to make letters larger? How to change the handwriting (Font Style)

### **Visual Arts**

Department of art and craft took on drawing, painting, paper work and model shaping with all the students. Students were instructed to develop group based concepts and elaborate them through the medium of art. They prepared paper mashie, paper sculptures and 3d effects drawings with the use of water colors, crayons, oil pastels, pencil colors and chocks.
