

### नेपाली

कक्षा ७ मा प्रथम त्रैमासिक परीक्षाका निमित्त नेपाली विभागले तोकेको पाठ्यक्रम अन्तरगतका कथा विधा शीर्षका पाठहरूको अध्यापन कार्य भइरहेको छ । कक्षाका सबै विद्यार्थीले सामुहिक छलफल , प्रश्नोत्तर , पाठगत तथा विषयगत कक्षा प्रस्तुतीकरण आदि गरेर कथाका माध्यमबाट भाषिक ज्ञान गरिरहेका छन् । यस कक्षामा कथा विधाका दुई शीर्षकको एकाइ परीक्षा पनि भर्खरैमात्र लिइएको थियो । जसको नतिजा अभिभावक समक्ष प्रगति विवरणपत्र पठाइएको छ । कक्षाका सम्पूर्ण विद्यार्थीले कथा समीक्षा कार्यपत्र र समाचार श्रवणको कार्यपत्र पनि भरेर दिएका छन् । विद्यार्थीहरूले आफ्नो स्तरअनुसारको कथा सिर्जना गरी प्रस्तुत पनि गरेका छन् । विद्यार्थीद्वारा सिर्जित कथाहरूलाई प्रदर्शन पाटीमा राखिएको छ ।

### English

Grade seven started off with the story 'The Never Bird', an adventurous story of Peter Pan, who also happens to be students' favorite fairy character. This adventure tells how the never bird helped troubled Peter. Students enjoyed reading it and their presentation on the story was incredibly creative too. They interpreted the story from different perspectives which widened their understanding of the story. Likewise, the seventh graders worked on the poem 'A Sea of Foliage' by Toru Dutt, a romantic poem describing the beauty of a garden. While reading the poem the students got an ample exposure to the usage of metaphors and similes.

The units that we are soon to start are 'Maggie Cuts her Hair' and 'What Happened to the Reptiles'. At last, we also encourage parents to talk about these stories and the books with their children at home.

### Science:

Students of grade seven have completed the unit of force and simple machine. They also had class discussions and class presentations while completing these units. Presently they are studying the unit on matter. Students were really excited to know 20 elements of periodic table while studying the unit on matter.

### Social Studies:

Grade seven students have learned about an introduction to districts, zones and their headquarters. They have elected the President and vice-president of the District Development Committee in classroom. They explored the functions of D D C through a panel discussion and presented in the classroom. They have critically analyzed the present situation of development work in ones district. A report of unit assignments has been sent to the parents. A short talk program was organized on the occasion of Mother's Day and Buddha Jayanti in order to educate the students about the historical, social and religious aspects of festivals in the classroom. Now, they are reading infrastructure development.

### Mathematics:

This month we are mainly focusing in "Geometry" in lower secondary level. Grade seven students have completed the unit 'Set' and have prepared the subsets by using real objects. Presently they are studying the unit 'Lines & Angles' of geometry.

## Computer

Students of grade seven have studied the non credit-unit “Power Point”. They are capable of presenting what they have learned in the class, from their field trips using slides designed by using Microsoft Power Point. Presently, they are studying the unit “Number System”. In this unit they have studied about number and number system, types of number system (Decimal and Binary Number System) and importance of decimal and binary number systems.

## EPH:

Grade seven students learnt about the introduction and importance of environment, population and human body system. They have successfully completed unit’s assessment. They presented the project work beautifully. They attended lecture series which were based on environmental issues. They also watched some part of the documentary “An Inconvenient Truth” by Al Gore. In the upcoming weeks students will learn about Situation of natural resources, cultural heritage and population, Population change and causes of environmental degradation, nutrition and environmental health.

## Visual Arts

Department of art and craft took on drawing, painting, paper work and model shaping with all the students. Students were instructed to develop group based concepts and elaborate them through the medium of art. They prepared paper mashie, paper sculptures and 3d effects drawings with the use of water colors, crayons, oil pastels, pencil colors and chocks.
