GRADE 2

Grade Teacher: Ms. Shweta Malla &
Ms. Meena Sharma

नेपाली

नेपाली विषयमा कक्षा दुईका विद्यार्थीहरू कथा विद्याबाट फेरि मुसो भएस् शीर्षकको पाठ अन्तरगतका क्रियाकलापहरू गर्दैछन् ।

English:

The children have completed the first four lessons in first term. And this term in **English**, the children did not have any terminal examination and only unit tests were taken. Field visit, home assignments, class assignments, attendance, class participation, Unit tests, dictations, project work and group work were the major activities to assess the overall performance of the children. This term the second graders started with the fifth lesson that is the Magic porridge pot which has already been completed. The dictation and the unit test has already been taken as an evaluation for this unit.

Science:

Children learnt about different types of plants. They have extremely good awareness about importance of plants in our life. They can easily tell the things that we get from plants. They made a beautiful booklet on animals and plants. We are going to start our next unit 'Matter and Energy'. In this unit children are going to work in groups to identify and discriminate different matter and to list out the sources and uses of heat and light.

Mathematics:

Children studied Set and Graph. They have fine idea of Set and Graph and can differentiate objects on the bases of similar virtues. They discussed and made simple bar graph about weight, height, age, favorite colors, favorite subjects and favorite fruits of their grade. They were excited to make bar graphs on female and male members of their family.

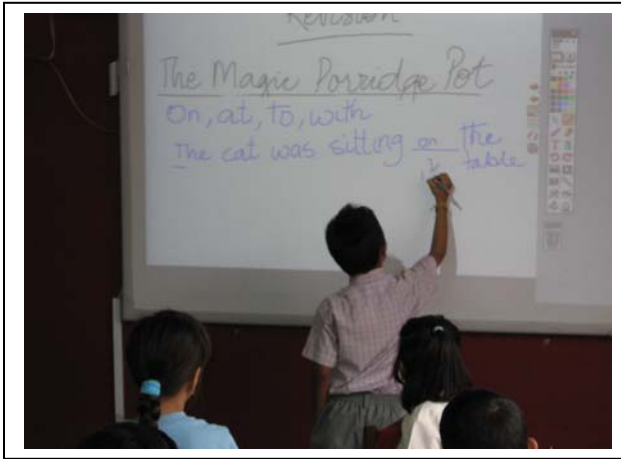

Now we are moving on to our next unit 'Basic functional system in Mathematics'. In this topic students will learn about addition, subtraction, multiplication and division with the help of various manipulative and activities.

Social Studies:

In **Social Studies**, children have completed the first three units. And this term in **Social Studies**, the children did not have any terminal examination and only unit tests were taken. Field visit, home assignments, class assignments, attendance, class participation, Unit tests, dictations, project work and group work were the major activities to assess the overall performance of the children. For this term we will study with Civic Awareness. The second graders will also go for a field

visit during the course of study for this unit. As and when the unit gets over there will be a test to evaluate the knowledge and learning of the children.

Grade two students actively learning with the help of Activboard application

Visual Arts

In visual arts we continued working on previous projects during the month. Students enjoyed playing with different mediums and creating their ideas in their project works.

Primary students developed 2D drawings, Acrylic painting. Secondary level students also developed 2D drawings with 3D effect they did impression drawing, Imaginary drawing and practiced to develop pattern design. Recently, students are working on Mural painting, glass print and 3d sculptures. Eight and One graders got a chance to visit an art exhibition.
