
GRADE 8

English:

Grade 8 students have started 'Our English' the government prescribed book for English and Gul Mohar is still a part of the syllabus. Students have finished reading 'The Last Class' a story by the French Writer Alphonse Daudet. The story's background is the Franco- Prussian war of 1870. Students enjoyed reading it. Currently, students are learning Tag Question.

Science:

Students of grade eight have completed the unit on Pressure. Presently they are completing their unit on Separation of mixtures through class presentations and class discussions. They were really excited to carry out different experiments of separation of mixtures like filtration, evaporation, sublimation, centrifuging and chromatography.

Mathematics:

Grade eight students are solving creative problems of algebraic expressions and also learning to find the H.C.F. of algebraic expressions from the unit 'Algebraic expressions'.

Social Studies:

Grade eight students have successfully completed the first term examination. They are learning about the child rights and duties. They are assigned a project work called to study and explain the formation process, functions, rights and duties of constitutional bodies like executive, legislatures and judiciary beside this they have critically examined the need of independency of constitutional bodies for the smooth practice of democratic system in the country like Nepal. In the upcoming month, they will study about the history and human civilization

EPH

Students of grade eight did PowerPoint presentation on "ICIMOD DEMONSTRATION SITE AT GODAVARI". Grades 9 and 10 had attended their nice and interesting presentation. Classes and activities are going on as usual.

Visual Arts

In visual arts we continued working on previous projects during the month. Students enjoyed playing with different mediums and creating their ideas in their project works.

Primary students developed 2D drawings, Acrylic painting. Secondary level students also developed 2D drawings with 3D effect they did impression drawing, Imaginary drawing and practiced to develop pattern design. Recently, students are working on Mural painting, glass print and 3d sculptures. Eight and One graders got a chance to visit an art exhibition.
