

### नेपाली विभाग

कथा तथा कविता विधाअन्तरगतका शीर्षकका पाठहरूको अध्यापन कार्य सकिएको छ । विद्यार्थीहरूले अन्य एक शीर्षकको कविता पढेर समीक्षात्मक कार्यपत्र प्रस्तुत पनि गरिसकेका छन् । विद्यार्थीहरूले उक्त दुई विधाका पाठबाट शब्दार्थ तालिका निर्माण पनि गरेका छन् । प्रथम त्रैमासिक परीक्षाका निम्ति विद्यार्थीहरूलाई तयारी गर्न विभागबाट निर्देशन गरिएको छ ।

### English Department:

As you know the first term has come to an end, I am pleased to share that this term has been particularly busy; with a lot of activities. The first five units of the prescribed textbook will be covered in the first termly examination. The following areas will be covered in paper pencil test of English language.

1. Vocabulary- Similar meaning, opposite meaning, single word and sentence formation.
  2. Sentence structure- Tense, conditional sentences, modal auxiliaries and making request
  3. Intensive reading: Two seen reading materials.
  4. Extensive reading: Two unseen reading materials
  5. Writer's workshop- Paragraph, letter, instruction and condolence writing
- Listening and speaking test will be given during class hours.

### Mathematics Department:

Students of grade nine have completed the unit 'Algebraic Expressions' and they had also prepared a model to derive a formula of  $(a+b)$  whole cube. The units covered for the first terminal examinations are sets, percentage, profit & loss and algebraic expressions. The first term mathematics examination has 20% practical questions of half an hour and 80% theoretical questions of two hours.

### Social Studies Department:

Grade nine students have studied the Social problems and evils. They discussed and critically examined social service organizations' contribution in solving social problems and evils in Nepal. They have explored the child right movement and situation of child right in Nepal and have made suggestions to the political leadership and government of Nepal to implement the social service programs effectively. A research project on the role of international social service organization in development of Nepal was presented in the classroom

The syllabus for first term examination:

Unit One: We, our community and Nation

Unit Two: Our Infrastructures of development

Unit Three: Our Social tradition social values and norms

Unit Four: Social problems and Evils

**Science Department:**

Students of Grade nine have completed the unit of Measurement, Motion, Machine in Physics, Valency and its molecular formula in Chemistry, Plant and Animal Life cycle in Biology, and Natural Disasters in Geology for the first term.

**EPH Department:**

Grade nine students have successfully completed their unit tests. Their curriculum for the first term examination has been completed. These topics are included in the syllabus for first term examination:

1. Concept of environment, population and health education
2. Demography
3. Causes and effects of population change and its management
4. Adolescence, sexual and reproductive health education

**Computer Science Department:**

Grade nine students have completed the unit of Number System and Web page designing for the first term. I regret to inform you that the unit 'Operating System' has been forwarded for the second term due to time constrain.

Thank you!
