Kindergarten

Year: Two, No.3, 3rd August 2007
Grade Teachers: Ms. Subarna
Maharjan and Shovana Shrestha

Namaste from both of us, this is the third newsletter for you! First of all we would like to inform you that we have been teaching according to the children's age level so some students have almost completed all units from First Term Curriculum and some have not. This is because we believe that education is for understanding. We would also like to inform you that it doesn't matter whether they have completed all units or not because they don't have to appear for any written test. We would be evaluating them according to their class room participation, observation, class work and homework.

Due to greater focus on learning the phonic sound of each letter from **a** to **z**, number concept and नेपाली ब्यञ्जन वर्णहरू (क देखि ज्ञ) र स्वर वर्णहरू (अ देखि अः) ,we couldn't finish some of the units from the First Term Curriculum. We would be continuing those left over units later in the coming days.

Thank you!
