

News from bridge class
Mrs. Devaki Paneru and Mrs. Supriya Shakya

As we know that as a parent everyone is keen to know about the activities going on class I hope the newsletter of this month will help you know what is happening in the bridge class.

As you all are informed that in bridge class children are focused in their slightly weak area. Children are being more focused on language area this month in order to develop their all four areas of language skills. Children are more emphasized in pronunciation, spellings, difficult words and their meanings this month.

In math's they have just finished "shapes" and they have made a booklet on shapes. They showed a keen interest on it. In social studies children have learnt the difference between occupation and profession.

In science children have learnt about the living and non living things. They were very much interested to do the characteristics of living and non living things. They took a small visit the school compound to observe living and non living things.

नेपाली विषयमा 'बृज' कक्षाका विद्यार्थीहरूलाई उनीहरूको स्तर-अनुसार वर्णमालाहरू, सरल शब्दहरू, मात्राहरू (ा , ि , िी , उ , ू , े , ै , ो , ौ) तथा मात्रा प्रयोग गरेर शब्द निर्माण, चित्रहरूको नाम भनाइ/लेखाइ, शब्दहरू प्रयोग गरी वक्य लेखन, सहज शीर्षकहरूमा छोटो अनुच्छेद लेखन र चित्रवर्णन जस्ता क्रियाकलापहरू गराइदैं छ । विद्यार्थीहरूले आ-आफ्नो बुझाइको स्तर-अनुसार प्रगति गर्दै आएका छन् । उनीहरूले गरेका कामहरू कक्षाकोठामा टाँसिएका छन् ।
