English:

In English, the children have finished four lessons and two poems. The results of the Unit Test have been distributed. The second Unit test will be conducted in the first week of August. There will not be any Term Examinations for Grade 2. The dictations have been taken of all lessons and one final dictation will be taken in the first week of August. In Syntax Grammar the children are expected to study lessons 1-5 that is till Nouns.

Science:

Children have very good perception about importance of animals in our life. They can easily tell the things that we get from animals.

Children learnt different parts of a plant by using a real plant. This week children will learn about the categorization of different types of plants under herbs, shrubs and trees.

Mathematics:

Children studied Number concept. They have good concept of numerals, number names, roman numbers, even and odd numbers. They can well organize the objects and numerals in increasing and decreasing order. They can easily compare the objects by using words like taller-smaller, longer-shorter, thicker-thinner, wider-narrower etc. Now children are learning about different types of sets. They will be able to discriminate objects on the bases of same virtues.

Social Studies:

In Social Studies, children have completed the first and second unit.

The third unit is currently being done. The results of the Unit Test have been distributed. The children were taken to Nishaey Sewa Sadan, an Old Aged Home in Shantinagar as a part of their field trip. We are also planning to take them to Khagendra Nava Jeevan Kendra as a part of Field trip in the first week of August.

The second Unit test will be conducted in the first week of August. There will not be any Term Examinations for Grade 2. For this test the children are expected to study the first three units which consist of 12 lessons in all.

Computer

Children of grade two are learning Paint program. In this unit, they have learnt to

- ✓ handle Paint program
- ✓ type words/sentences using keyboard with different colors
- ✓ change font size, font name and font styles while working with keyboard
- ✓ using different tools required for painting such pencil, eraser, fill with color, pick color, airbrush, brush, different shapes (circle, rectangle, straight line, triangle) etc.

Presently they are learning to hide and redisplay tool box and color palette. Besides this, they are using learnt concept in drawing various painting using Paint program. Following units have been taught during this term.

- ✓ Internet
- ✓ WordPad
- ✓ Paint

Visual Arts

Visual Arts conducted lessons in different forms of Drawing and Painting during the month.

Students enjoyed playing with different mediums and creating their ideas in their projects. Junior Kids developed 2D drawings, Acrylic painting, Paper masche and pre work on clay with dough. Secondary level students also developed 2D drawings with 3D effect, Impression drawing, Imaginary drawing and practiced to develop pattern design. Sixth graders got a chance to visit an art exhibition.
