& Ms. Youshmi Thapa

Dear Parents/ Guardians,

As your child's grade teachers we are really happy to see the children demonstrate great enthusiasm and interest in their learning. This has motivated us in our instructional activities.

**नेपाली**

नेपाली विषयमा कक्षा एकका विद्यार्थीहरूलाई एकार, ऐकार, ओकार, औकार भएका शब्दहरू पढ्ने र लेख्ने क्रियाकलापहरू गराइएका छन्। हाल उनीहरूलाई हिज्जे शुद्ध बनाई शब्द निर्माण सम्बन्धि क्रियाकलापहरू गराइदै छ।

**English:**

In English they have completed following structures after the first newsletter.

- One/many
- a/an
- can/can't

We are now moving on to the prepositions.

**Science:**

In science they have already completed the first unit "Living Things" of this term. To assess their learning we took their Unit Test and the reports were even sent to the parents.

They are going through a new unit "Personal Hygiene". They are now able to name the different parts of human body. We even conducted an experiment about the functions of five sense organs in class which was exciting for them.

Children are now learning the different ways of keeping their body parts clean with the help of different materials like tooth brush, comb, nail cutter, soap, cotton buds etc. It would be great if you as parents encourage your child to use these materials independently.

**Mathematics:**

In mathematics they completed the unit "Geometry" and "Number Concept". They are now learning to compare and estimate the weight of different objects.

*Children learning the place value of the numbers with the help of base ten blocks*

### **Social Studies:**

In Social Studies students have been working, with the unit “Child and Child’s Family”. In this unit they are learning about different kinds of professions. We celebrated the Environment Day on June 5 2008. The children participated in collecting dirt and cleaning the school surroundings of the school.

### **Computer**

Grade one did lot of creative painting work in paint program this month .Since they have already learnt to make shapes by using different shape tools ,they

made different pictures which contain these shapes. The children also enjoyed filling colors in it and adding text to their picture to explain what they have made by using text tool.

### **Visual Arts**

Department of art and craft took on drawing, painting with all the students. Students are learning to develop and sharpen their creative skills through the practice of drawing and painting using different mediums. They prepared some key drawings and developed them into large size canvases and papers.

Students from grade 4,5 and 6 participated in a day art workshop on the occasion of World's Environment Day, 5<sup>th</sup> June 2008 "KICK THE HABBIT"
