### नेपाली

नेपाली विषयमा कक्षा दुईका विद्यार्थीहरूलाई भाषिक चिह्न ( " " । , ! ? ) प्रयोग गरी सामान्य वाक्य निर्माण गर्ने कार्य गराइयो । हाल उनीहरू प्रबन्ध विधाबाट मौरीको मह पाठ अन्तरगतका क्रियाकलापहरू गर्दैछन् ।

### English:

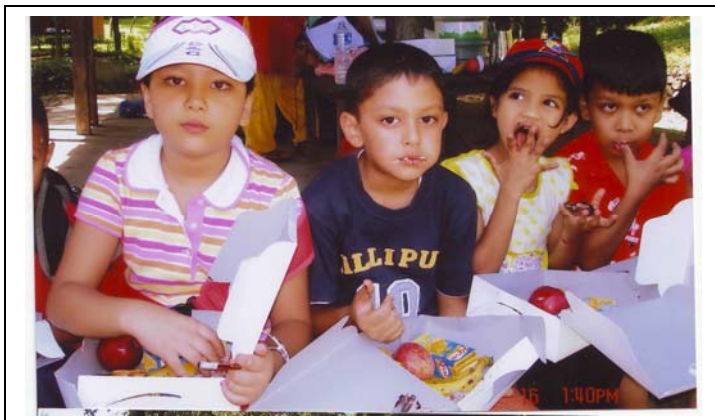

In **English**, the children have finished the first two lessons for this term. They will be starting with the new lesson and its vocabulary sheet after the Dashain vacation. The children have studied nouns, verbs and adjectives in Syntax Grammar. Worksheets for the same have been given to them in the class and will be given to them during their vacation. Unit test for the first lesson, 'The Magic Porridge Pot' was conducted. The children did fairly well. Dictation was also taken.

### Mathematics:

In **Math**, the children have finished with the additions and are currently doing subtractions. The children are doing fairly well in subtractions.

### Social Studies:

In **Social Studies**, children have completed Unit 3 Civic Awareness which comprises of the five lessons. No Unit Test for this Unit will be conducted as the children will be judged according to their class work, homework, class participation and project work. An individual project work will be given as an assignment during the Dashain vacation. The result of the group project work will be displayed in an exhibition after the vacation. As a part of the Unit, field trip was taken to Tribhuvan Park, Thankot. The children did well in the trip sheets and the overall effort of the children was pretty impressive. The pictures and their work will be put up in an exhibition if the parents are interested to know what their children have been up to.
