English:

In English, Kindergarten grade has almost completed three letter phonetic words. We have also introduced the concept of rhyming words. Now children are studying words with emphasis on the letter 'a' and 'an'. Reading & writing practices with sentences such as, 'what is this? This is..... and that is.....' are being conducted in the class

In vocabulary, students have learnt to write days of the week, names of colors, and seasonal fruits. In the following months they will learn how to write name of the seasonal vegetables and everyday food.

Math:

In Math, Kindergarten students are able to read and write numbers from 1 to 100. We have been focusing on addition. They have also learnt number names one to ten and backward numbers 20 to 1.

This month children have been doing graph work.
