

NEWS FROM GRADE SIX

Issue: August 2006 Teachers: Rachana Manandhar, Padam Kafley, Aprajita Malla, Surya Gautam and Anupama Bista

नेपाली विभाग

कक्षा ६ मा पाठ्यपुस्तकमा रहेका कविता र कथा विधाअन्तरगतका सम्पूर्ण शीर्षकहरुको अध्यापन कार्य सकिएको छ । यी दुई विधालाई आधार बनाएर प्रथम त्रैमासिक परीक्षा पनि लिइएको थियो । परीक्षाको नतिजा पनि अभिभावकसामु पठाइसकिइएको छ । अहिले प्रबन्ध विधाको अध्यापन कार्य चलिरहेको छ । विद्यार्थीहरुले पढ्दै गरेका प्रबन्धअन्तरगतका पाठबाट शब्दार्थ तालिका निर्माण गरी प्रदर्शन पाटीमा राखिइको छ ।

English Language

A week before their exams began they had been revising in class. Now they have started with their chapter 'Love'. It's about how even a hunter can be affectionate towards what he hunts. They will be doing project work, extensive reading, writing, listening and speaking,

Science and health

Children have been studying 'Simple machine'. They experimented with simple machines to understand their significance in our daily life. Simultaneously they worked on the model of filter which has been due to be completed. In Health, they are studying environmental health. The model of filter will be helpful in this unit as well.

Social studies

Grade six students are studying what our rights and duties are as a citizen of this country. They know the requirement to get citizenship card and say its importance. Children can say the content and information given in the card. They took the ownership of filling up the citizenship card on their own.

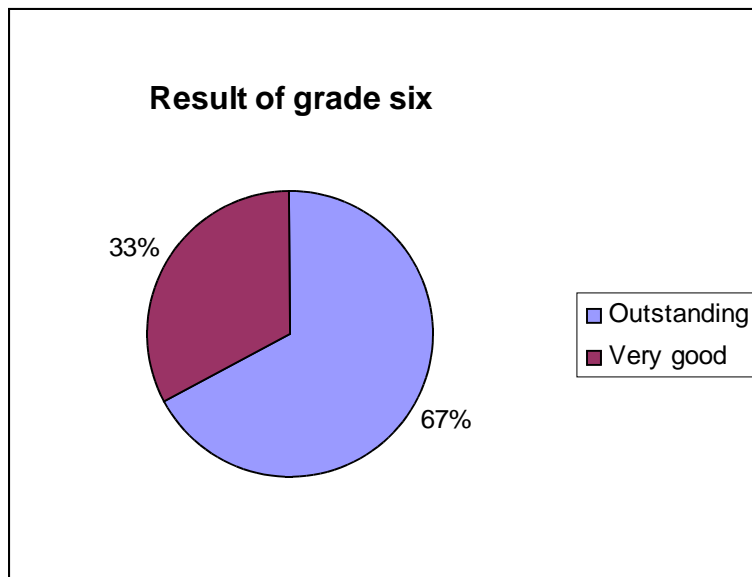

Environment and Population Education

Grade six students studied how population changes and its elements. A research work was carried out to study the causes of population increase and its effect on environmental.

Mathematics

Classroom news: This August, in lower secondary level we are mainly focusing in "Algebra". The students of grade six have studied addition, subtraction and multiplication of algebraic expressions. They also studied "Equations" from Algebra.

Examination news: The following pie-chart shows the very encouraging result of first term examination of grade six.
